

BIG CUT IN THEIR WAGES.

Employees of the John Goode Cordage Company Said to Be Dissatisfied.

It is said that there is a disagreement between the employees of the John Goode Cordage Company in the Ravenswood section of Long Island City and the company. The men, it is alleged, have been notified that their wages will be reduced from \$9 to \$8 per week.

A committee of the workmen called on the officials of the company, but the result of their meeting was not made public.
